

ELECTRONIC TICKET SOLUTION

With simple integration into your business, U Ticket is a service that allows the customers of your business to find their sales tickets on any mobile device.

01 / BENEFITS FOR YOUR COMPANY

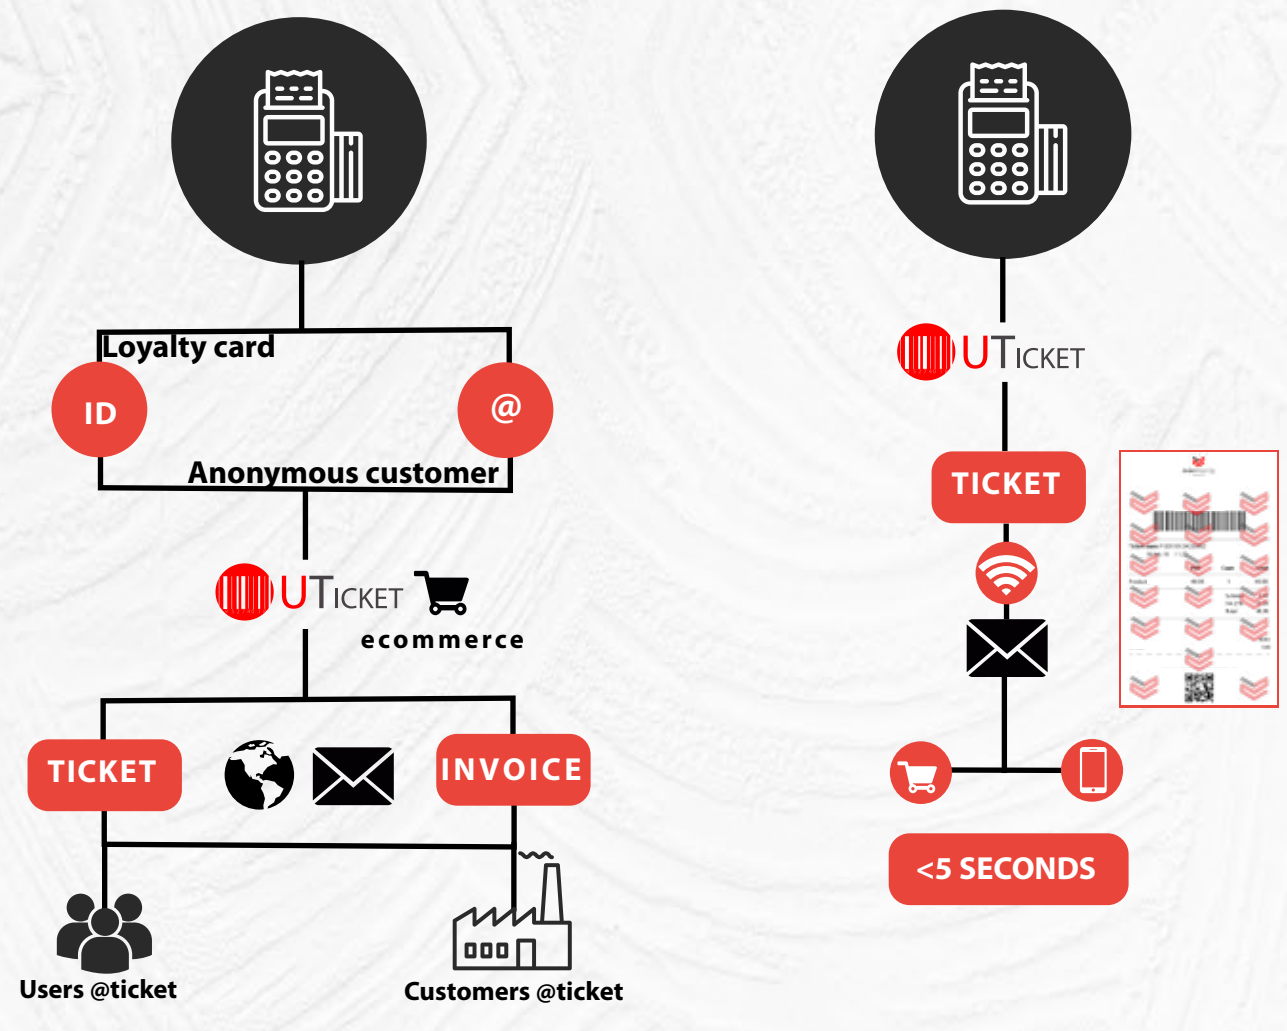

- Significant savings in paper and other resources (printers, ink, etc.)
- Immediate consultation of legal documents: "Signed PDF Tickets."
- New innovative and differentiating image.
- Marketing to gain and maintain new customers (campaigns, coupons, discounts, etc.)
- Solves tax obligations (national and international), like the twin roll printer.
- It is the basis for future technological developments (digital wallets and mobile payment).
- Segmentation of the target market to increase sales.
- Self-billing: conversion of tickets into electronic invoices.
- Regulatory compliance 2017.

02 / BENEFITS FOR YOUR CUSTOMERS/USERS

- A better shopping experience.
- The electronic ticket is durable and does not degrade over time.
- Always available from any device (POS, cloud, mobile).
- Control of expiration dates and guarantees for products purchased in your shop.
- Discounts and online promotions.
- Facilitates in-store returns.
- More personalised service.
- Conversion of tickets into invoices (for freelancers, companies).
- VAT relief for the self-employed.

Wise Security Global is a **trusted third party** that acts as a broker between seller and buyer (the parties to an online contract or notification), **guaranteeing** and **safeguarding** all processes generated in an electronic transaction in a neutral and independent manner. We also guarantee the **integrity of the process** without any subsequent manipulation and with the content of documents guaranteed before a notary.

ISSUING PROCESS

WHY HAS ONE OF THE LARGEST RETAIL COMPANIES IN SPAIN DECIDED NOT TO PRINT SALES RECEIPTS FOR ITS BEST CUSTOMERS?

IMPROVED SERVICE QUALITY FOR YOUR CUSTOMERS 1

- Obtain simplified invoices without waiting in queues.
- Easier, more comfortable and more secure. Always available for customers to make exchanges, returns or claims on the warranty.
- Greater efficiency in gaining and maintaining customer loyalty (campaigns, coupons, discounts...)
- A more modern and innovative image for your company.

ECONOMICAL, TIME-SAVING AND ENVIRONMENTALLY FRIENDLY 2

- Saves resources and reduces operational processes.
- Increases administrative productivity. Eliminates tasks and reduces burden of delivery and accounting.
- Saves paper, contributing to the protection of the environment.

DESIGNED TO FACILITATE COMPLIANCE WITH TAX AND LEGAL OBLIGATIONS 3

- Immediate consultation of legal documents: Signed PDF tickets.
- Solves tax obligations (national and international), like the twin roll cash register.
- Conversion of tickets into electronic invoices. Facilitates self-billing and management of VAT returns.
- SII Compliance: Immediate Provision of Information.

IN ADDITION... **MULTILINGUAL IDEAL FOR USE IN ANY STORE IN ANY COUNTRY WHERE YOUR COMPANY OPERATES.**
