

The logo features a red circular icon with a white sunburst pattern to the left of the word "dryd" in a large, white, lowercase sans-serif font. Below "dryd", the word "manager" is written in a smaller, red, lowercase sans-serif font. The background of the logo is a dark, circular image showing a server rack with red lighting.

❖ drydmanager
is an advanced
modular
manager of
vulnerabilities
in technological
infrastructure ❖ ❖

DRYDMANAGER is a governance and management solution made up of multiple tools. Its main objective is to improve and automate the life cycle of the APP/WEBSITE/IT.

It assists with validation management of programmes and serves as a cyber support service.

**MAXIMUM
SECURITY**

**EASY
IMPLEMENTATION**

PROFITABILITY

**CENTRALISED MANAGEMENT =
REDUCING ERRORS
+ REDUCING COSTS**

DRYDMANAGER IS AIMED AT **LARGE ACCOUNTS** WITH
A **HIGH LEVEL** OF CYBERSECURITY MATURITY

advantages

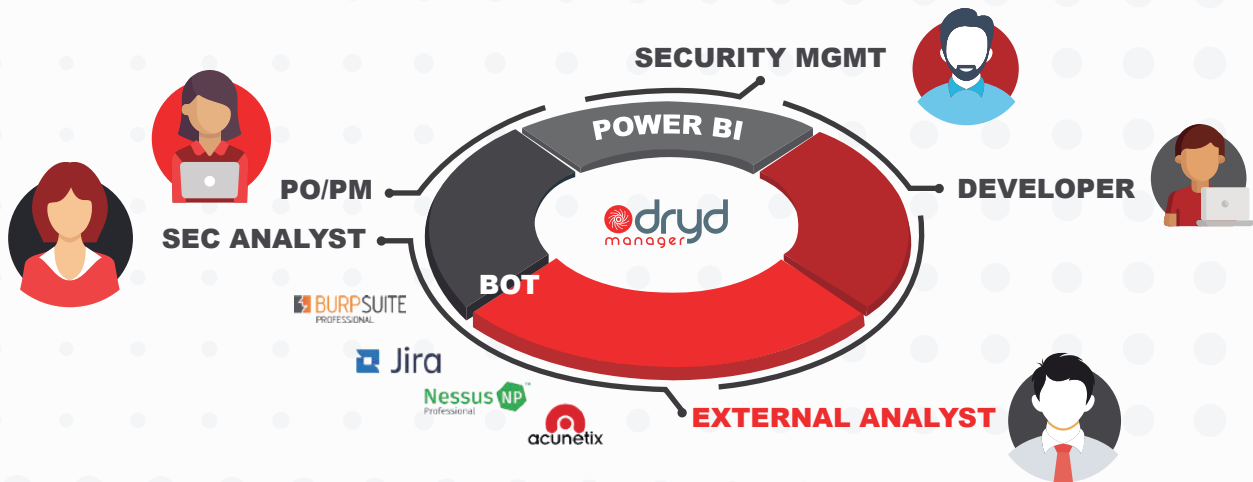

- Reduces operating costs
